

BUZZED

HOOK & RING

THE FINISHED TOWER SHOULD LOOK LIKE THAT. IF IT DOESN'T, READ THESE INSTRUCTIONS AGAIN AND FIGURE IT OUT.

READY? LET'S BEGIN.

SETUP

This is a 2-player game. Find an opponent and fill the cup with whatever you want, then place it in the center slot.

HOW TO PLAY

Each player picks a side and swings their own ring. If the ring catches on the hook, move the cup forward 1 space.

HOW TO LOSE

If the cup "walks the plank" and gets pushed off the end closest to you, you lose and have to drink. You should reset and play again—it's anybody's game.
