

CARE BEARS TAKE 4

SETUP

First, you'll need 1 set of Number Cards. A set is composed of 4 cards: 1, 2, 3, 4.

Place this set, number-side up, in a line in the middle of the playing area. Next, give each player their own set of Number Cards.

Now, shuffle the Care Bears™ Cards and draw 4 cards from the top of the deck. Place 1 Care Bears™ Card face-side up next to each of the Number Cards you put in the center of the group.

Finally, place the Cheer Bear™ Plush in the center of the play area within easy reach of everyone.

Got it? Sweet!
Now you're ready to play.

HOW TO PLAY

Your mission is to collect a full set of matching Care Bears™ Cards. A full set is made up of 4 of the same color Care Bears™.

There are 4 kinds of Care Bears™ in the game:

Each game consists of multiple rounds. There are 3 simple steps to get the rounds started:

1. All players count down from 3: "3, 2, 1!"
2. Once the countdown hits "1," all players put a Number Card from their hand in front of them.
3. Each player's Number Card should match with the Care Bears™ Card they want to collect from the center playing area.

Once all players put down their Number Cards, 2 actions can happen:

1. If 1 or more players put down the same Number Card, you all race to grab the Cheer Bear™ Plush. Whoever grabs it first gets to keep that Care Bears™ Card!
2. If no one else has played the same Number Card as you, then that Care Bears™ Card is all yours, and you're 1 step closer to sweet victory.

After each round, the playing area needs to be reset. Leave the Number Cards in the center of the table. Remove any remaining Care Bears™ Cards, and place them at the bottom of the Care Bears™ Card deck. Players place the Number Card they played back into their hand. If the Cheer Bear™ Plush was grabbed, it must be placed back into the playing area.

Take the top 4 Care Bears™ Cards from the deck, and place them next to the Number Cards in the playing area. You're ready for the next round!

Play as many rounds as it takes for 1 player to collect a full set of Care Bears™. The first player to collect 4 Care Bears™ Cards of the same color wins the game!

PRO TIP: If you don't need any of the Care Bears™ Cards in the center, you can use that chance to try and steal one that someone else might need to win.

TAKE4 is a QUICK-THINKING and FAST-ACTING card game—so get ready to outmatch the other players.

Let's take a look at how to play the game!
