

HOOK & RING

READY? LET'S BEGIN.

SETUP

This is a 2-player game. Find an opponent and place the pawn in the center slot.

HOW TO PLAY

Each player picks a side and swings their own ring. If the ring catches on the hook, move the pawn forward 1 space.

HOW TO LOSE

If the pawn "walks the plank" and gets pushed off, you lose. You should reset and play again—it's anybody's game.
