

SETUP

First, you'll need 1 set of Number Cards. A set is composed of 4 cards: 1, 2, 3, 4.

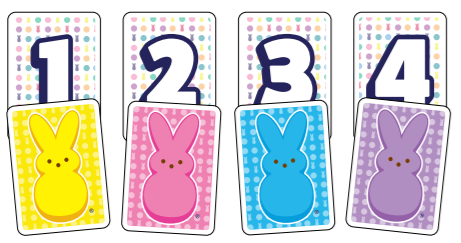

Place this set, number-side up, in a line in the middle of the playing area. Next, give each player their own set of Number Cards.

Now, shuffle the PEEPS® Cards and draw 4 cards from the top of the deck. Place 1 PEEPS® Card face-side up next to each of the Number Cards you put in the center of the group.

Finally, place the PEEPS® Plush in the center of the play area within easy reach of everyone.

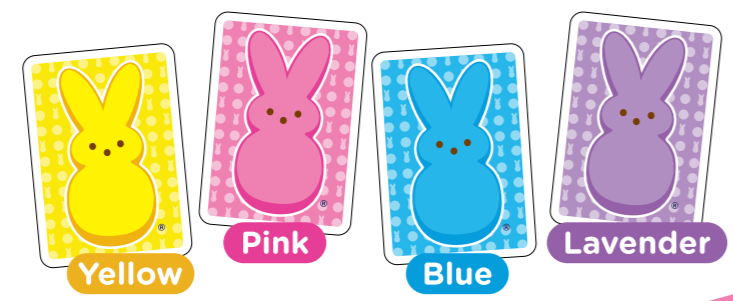

Got it? Sweet! Now you're ready to play.

HOW TO PLAY

Your mission is to collect a full set of matching PEEPS® Cards. A full set is made up of 4 of the same color Peeps.

There are 4 kinds of PEEPS® in the game:

Each game consists of multiple rounds. There are 3 simple steps to get the rounds started:

1. All players count down from 3: "3, 2, 1!"
2. Once the countdown hits "1," all players put a Number Card from their hand in front of them.
3. Each player's Number Card should match with the PEEPS® Card they want to collect from the center playing area.

Once all players put down their Number Cards, 2 actions can happen:

1. If 1 or more players put down the same Number Card, you all race to grab the PEEPS® Plush. Whoever grabs it first gets to keep that PEEPS® Card!
2. If no one else has played the same Number Card as you, then that PEEPS® Card is all yours, and you're 1 step closer to sweet victory.

After each round, the playing area needs to be reset. Leave the Number Cards in the center of the table. Remove any remaining PEEPS® Cards, and place them at the bottom of the PEEPS® Card deck. Players place the Number Card they played back into their hand. If the PEEPS® Plush was grabbed, it must be placed back into the playing area.

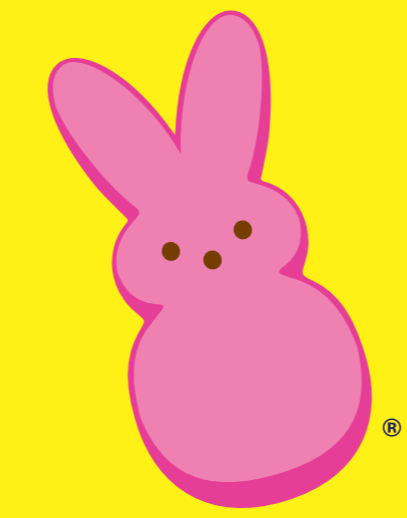

Take the top 4 PEEPS® Cards from the deck, and place them next to the Number Cards in the playing area. You're ready for the next round!

Play as many rounds as it takes for 1 player to collect a full set of PEEPS®. The first player to collect 4 PEEPS® Cards of the same color wins the game!

PRO TIP: If you don't need any of the PEEPS® Cards in the center, you can use that chance to try and steal one that someone else might need to win.
